Price list for Skanova Placement

Effective as of 2025-12-01

1. General information

Fee changes due to changes in energy charges, taxes and fees that Skanova does not control may occur on existing placements during the contract period with immediate effect after its introduction.

2. Price Skanova Placement standard

2.1 One-time fees

2.1.1 Quotation fee

No quotation fee is charged if no investigation is required. If an investigation is required, Telia Wholesale states a fixed price for the investigation, as well as how long it is expected to take.

2.1.2 Establishment

	One-time fee (SEK)
Set up of Placement (customer owned rack)	14 900
Set up of Placement in Telia Wholesale's ETSI-rack, per quarter of rack	3 725
Change or extension on existing Placement	9 800

2.1.3 Installation

	One-time fee (SEK)
Installation of customer-owned ETSI cabinet (each)	3 300
Installation of Telia Wholesale's ETSI cabinet	0
Installation of operator-owned opto cable	According to response to quotation request

The above one-time fees does not include adaptation costs to enable a Placement. Examples of such costs can be wall-piercings, new cable ladders, expansion of battery capacity, replacement of fan unit.

2.2 Quarterly fees

2.2.1 Placement in your own cabinet on the Placement area, or in Telia Wholesale's ETSI cabinet

2.2.1.1 Placement area

<u>Size</u>	<u>Width</u> mm	<u>Deep</u> mm	<u>Height</u> mm	<u>Quarterly fee (SEK)</u>
Narrow Simple	300	400	2200	1 250
Narrow Double	300	800	2200	2 650
Wide Simple	600	400	2200	2 650
Wide Medium	600	600	2200	3 600
Wide Double	600	800	2200	4 950

Discounts are not granted when placing cabinets with a height of less than 2200 mm.

2.2.1.2 Telia Wholesale's ETSI cabinet

An entire cabinet measures 600(width) x 600(depth) x 2100mm(height). The minimum price corresponds to space 600x600x525mm (1/4 cabinet). Adjustment rails to 19 inches can be selected and are included in the quarterly fee.

<u>Size</u>	<u>Width</u> mm	<u>Deep</u> mm	<u>Height</u> mm	<u>Quarterly fee (SEK)</u>
1/4 cabinet	600	600	525	1125
1/2 cabinet	600	600	1050	2250
3/4 cabinet	600	600	1575	3375
Entire cabinet	600	600	2100	4500

2.2.2 Energy

The fuses in the tables below are assumed to be charged only up to 70% continuously by the fuse's rated current.
